

Re-opening of Magnus Community Sports Centre

Summary of Entry and Exiting

The following is a summary of the measures that we will expect all clubs / groups to take to maintain both their and others safety while entering and leaving areas with-in the sports centre.

Social distancing should apply while waiting to gain access into the sports centre areas.

Main Reception, toilets and Coffee Shop Area

- You are welcome to enter and use the coffee shop either taking your purchases out or sitting in.
- To use the toilets, but please leave the area immediately afterwards.
- You **must not** wait in this area for entry into the Main Sports Hall

Main Sports Hall

- If using the Main Sports Hall you must wait outside until the hall is clear and walk through the foyer to enter.
- Exit by the fire exit opposite this door

If your club / group is running more than one session, then each session will be treated as a protected 'bubble', this in turn means that this bubble clears the hall before the next enter.

All Weather Pitch (AWP)

- Wait outside, near the bike sheds, until your court is clear.
- **Do not** wait in the Main Reception, unless you are using the coffee shop.
- Please leave promptly and exit by the gate towards Bowbridge Road.

Performing Arts Area

Regardless of the area being used the procedures will be the same for each. Start times of different groups will be staggered to avoid different bubbles congregating outside at the same time.

- All users should wait outside the double doors until permission to enter is given and enter the area / room immediately.
- When leaving, exit by the fire exits in each room.
